Dear Michael,

### **Annual Local Authority Risk Assessment of Schools and Academies**

Following John Duhig's visit to Montagu Primary on Monday 18 January 2016, I am writing to confirm that the revised Risk Assessment categorisation for your academy is Aspiring to Excellence.

I am confident that there have been significant improvements in the quality of teaching and learning, self-evaluation processes and the effectiveness of leadership at all levels. The evidence provided to John on the day showed that these improvements have become embedded in the working practices of all staff and have also made a clear difference to the daily experiences of children throughout the academy.

I would like to take this opportunity to thank you for the positive impact that you are having on the life chances for Doncaster children and I very much look forward to working with you in the future.

Yours sincerely

**Damian Allen**
