

# Mr Reciprocity

- His highly powered, independent mind knows when he can solve tasks alone or when it's best to **tackle problems as a team**.
- His superior social skills mean he can **collaborate** with others to achieve powerful things.
- His supersonic listening device means he can **listen and understand** the views of others.
- His mighty morphing powers mean he can **imitate** the skills of successful people around him and achieve his goal.
