

Reflector Girl

- Her ability to see into the future means she is great at **planning** ahead for problems she may encounter.
- Her super flexible muscles allow her to **adapt** her plans at the speed of light, so she is always on the right track.
- She is super-skilled at **sorting and distilling** information that her super eyes and ears pick up all day.
- The team are always asking for Reflector Girl's advice as she always **thinks about how she does things best** and can explain her successes.
