

School Council Minutes

Date: 19.10.17

Focus:

1. Comments from pupils
2. School council display
3. Tuck shop
4. Council logo

Present: Harry, Jake, Maisie, Lydia, Joseph, Max, Robynne, Phoebe, Lillie, Mrs Miller

Apologies: Luke and Kourtney

Minutes:

1. Children shared questions asked to them by other children. This included play equipment, golden time, snacks and classroom resources.

We discussed the answers to children's questions and the council will feed this back to pupils.

2. We discussed our new School Council display in the shared area. Children liked the school council badge, the pictures, the pledge, the badge information and the way it is set out. Phoebe wanted photos of the council in action.

We will include a 'what we have been up to' section for pupils to be aware of what is happening.

3. We discussed having a tuck shop at play times. Suggestions included: fruit bars, flapjacks, milk, apples, berries, orange juice and carrot sticks. We suggested charging 20p-£1. We decided to do a survey to see what our pupils want to buy and how much they are willing to spend.

Children will conduct the survey in their classroom this afternoon and feed this back to Mrs. Miller. In the next meeting, we will look at what we can afford and how much we will charge, thinking about profits. We will also decide on our roles in the tuck shop.

4. We looked at the old School Council logo. We agreed that this needed to be updated for our new council and discussed what we would like to see on our badge.

Children in the council will design a new badge to represent Montagu Academy. They have a week to design the logo then children will vote in classes for the best one.
